Adaptiv Mini

Adaptiv Mini allows HDMI & Camera input to the OEM screen. Includes dynamic parking guidelines

This plug and play Mini interface adds HDMI to connect your Apple or Android device, allowing you to mirror your smartphone display on the vehicle's original screen. Inputs for front and rear aftermarket cameras also come as standard with the Mini.

Application

For Mercedes-Benz vehicles with NTG5.0 with 7" or 8" Display.

Kit Includes

- Adaptiv Interface
- Vehicle Harness

Prior to installation

Read the manual prior to installation. Technical knowledge is necessary for installation. The place of installation must be free of moisture and away from heat sources. Connects2 cannot be held responsible for the installation of this product.

Technical Support
