

1. Connect the Black wire to Ground
2. Connect the Red Wire to Accessory 12v
3. Connect the 18 pin connector on the adapter into the matching Female connector on the VW OE headunit
4. Search for the A2DP adapter "**Connects2**" in the Bluetooth section of the device and select it once found
5. Enter the AUX function on the OE headunit and begin streaming music from the device
