CTHUE-JP1\_v1

## Features

---

- Plug & play solution - head unit replacement made easy
- Generates 12V Ignition feed
- Includes simple programming connection for quick learning process

This particular product supports the following outputs:

## Wire Colours

---

|                    |                                              |
|--------------------|----------------------------------------------|
| Speed Pulse        | Pink / Rosa / Rosado / Rose / Rosa           |
| Illumination       | Orange / Orange / Naranja / Orange / Arancia |
| Ignition 12V       | Red / Rot / Rojo / Rouge / Rosso             |
| Amp/Antenna Remote | Blue / Blau / Azul / Bleu / Blu              |

## Product Details

---

| <u>Manufacturer</u> | <u>Model</u>   | <u>Year(s)</u> | <u>Connector</u> |
|---------------------|----------------|----------------|------------------|
| Jeep                | Cherokee       | 2014 >         | OEM Specific     |
| Jeep                | Grand-Cherokee | 2014 >         | OEM Specific     |

## Programming Wire

---

Each IGNI interface comes with a programming wire.  
This wire is used to configure the 12V Ignition feed for your new head unit.  
This should not be connected to anything other than itself.

# Installation

---

## Step 1.

Remove OEM head unit following manufacturers instruction.

## Step 2.

Connect vehicle specific connector to OEM harness. Connect ISO connector to aftermarket head unit.

\*Connect required analogue flying wires to aftermarket head unit using colour table.

## Step 3.

When connected correctly, start the engine. Disconnect the **'programming wire'**. Wait roughly 5 seconds and re-connect the wire. This will start the learning process - the 12V Ignition feature will activate during this time. Wait 1 minute, then turn engine off. The ignition output should turn off after 40 seconds.

## Step 4.

When connected appropriately and tested, re-assemble dashboard with aftermarket head unit.

## This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
